"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.

Because of crowded conditions boys sent to the Reform School at Lexington had to be turned away.

Twelve hoboes were taken in tow last night by Officer Harry Ort as soon as they got off a freight. They were given the choice of going to Jail or leaving the city at once. They chose the latter and departed.

The report of the State National Bank, printed elsewhere, shows a surplus fund of \$20,000, undivided profits of \$5,427.75, and deposits of \$513,180.03, of which \$50,000 is on Government account.

Jake Cablish the Grocer has on exhibit at his store adjoining THE LEDGER the pelican killed a few weeks ago by Mr. Robb near Helena Station. It is handsomely mounted and is a fine specimen of the Southern bird.

The latest issue of The Register of the Kentucky State Historical Society has an interesting article on "Washington, the First County-seat of Mason County," written by Miss Lucy Lee of East Third street.

President Burris A. Jenkins of Kentucky University, Lexington, has been invited to be one of the Ministers to conduct the Sunday morning religious services for the University of Pennsylvania at Philadelphia for the next term.

Maysville Star Lodge No. 1948, G. U. O. of O. F., had their Thanksgiving Sermon Sunday. A company from Crown Lodge of Ripley and the Daughters of Ruth were present. Services were by Rev. W. H. Riley of Flemingsburg at the Plymouth Church.

A colored man named Snedcor, wanted in Owsingville for shooting and wounding his wife, was arrested in Ripley yesterday by Marshal Miller and brought here last night and placed in Jail. The Marshal of Owsingville arrived this morning and will take the prisoner back on the afternoon train.

Mr. Clark Tandy, an honor graduate of State College, is the only successful candidate from Kentucky who passed the examination for the Cecil Rhodes scholarship held at Lexington recently. This will entitle him to tuition in Oxford College, England, one of the most famous Universities in the world. He will receive about \$1,500 annually for expenses, and the course will take him three years to complete.

Our line of Cut Glass and Sterling Silver goods are not to be compared to any other line in "this city." We are showing a "larger stock" than can be found in any "store" in "cities" "twice" the "size" of Maysville. We have reduced prices until now you can buy a handsome piece of Cut Glass for the price you paid for cheap cutting. Let me show you.

THE Colorado plan for preventing non-Union men from working in the mines is to blow them to pieces with dynamite. It must be admitted that the plan is both effective and lasting.

IF the good people of the Sixth Ward ever expect to secure drainage for that part of the city, they will never have a better chance than by voting for the Sewer Bonds. It will be a big start toward getting a sewer through to Carmel street.

HEREAFTER every voter in Maysville must be armed with a registration certificate before he can vote lawfully. What a glorious opportunity this offers for the wholesale purchase of these certificates—especially as there is no penalty for so doing.

KENTUCKY is hellbent on taxing everybody and everything "out of sight"—and out of the state. A few days ago one of the Auditor's Agents filed suit for several millions against the Southern Pacific Railroad, which unfortunately got its charter from this state.

THE location of the Continental Tobacco Company's Warehouse in this city will mean the shipment from Maysville every year of from 14,000 to 16,000 hogsheads of tobacco. Vote for the Sewer Bonds. To make these hogsheads will require about \$20,000 worth of material and labor. Vote for the Sewer Bonds. This, however, will be but "a drop in the bucket" as compared with what the Continental will pay out for work in Maysville. Vote for the Sewer Bonds.

TIME TO WAKE UP.

Winchester Sun-Sentinel.

Organized labor is well enough, when it is organized to help the workmen. But when it is organized as is evidenced by recent occurrences to annihilate workmen, which was done in Colorado, it is time for the people to open their eyes to the dangers ahead. We have no place in this country for Anarchists who work under the cloak of Labor Unions.

Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache, by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial.

I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—MRS. MAY HAULE, Edgerton, Wis. The Courier is making a paying business of her daily trips in the Cincinnati-Maysville trade.

The Valiant for Pittsburgh and the Henry DeBus and E. R. Andrews for Kanawha passed up with empties.

The following show boats are on their way down the Ohio river: Ralph Gache's, Price's, The Water Queen, Swallow & Markel's Grand Floating Palace and Eisenbarth & Henderson's Floating Palace.

It is rumored that Commodore Laidley of the White Collar Line, operating between Cincinnati and Louisville, is planning to put the Indiana packet in the Cincinnati and Pittsburgh trade Saturday entering in competition with the Virginia, the Pittsburgh and Cincinnati Line's boat.

Captain Alex. Montgomery, one of the oldest members of the Cincinnati Chamber of Commerce and a veteran operator, owner and builder of boats, died at his home Friday last. Three days previous he was stricken with apoplexy. Captain Montgomery was the promoter and builder of many of the large side-wheel packets in the Southern trade out of Cincinnati.

The rivermen at Pittsburgh who claim some skill in predicting what the water will do are sure that they will have a big rise some time this month, and if this is put off for a week or two it will be more than welcome. The coal operators are working as many boats as are available in the pools to get towed up so that they can take advantage of whatever is offered them in the way of a barge or coalboat stage, and get the Southern market still more thoroughly stocked with fuel for the summer and fall.

The Orangeburg Tribe of Indians came in this morning 50 strong and all mounted.

The C. and O. switch into the Sphar Pressed Brick Works will be finished when it is done.

Miss Eugene Peters of Carlisle is the guest of Miss Katie May Sammons of Front street.

George Means was arrested yesterday on the charge of abusing his family. He was held in the sum of \$200 for his appearance, and in default was committed to Jail.

The many wonderful shows!
Everyone pleased and happy!
The famous Robinson exhibits!

The Carnival is on!

And but for a "knocker" who never parted with a penny to benefit anyone but himself, and whose face would be shattered if it was hit with a healthy, robust laugh, everything would have been in full bloom for last night's opening.

But all is ready today, and for the rest of the week the various attractions will be in per-

HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Roschke's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. For sale by Henry W. Ray, Postoffice Druggist.

Just such another picnic day you would not find in a summer's time—delightfully cool, just right for hill climbing, and such a sight as you see when you reach the crest of the hill is worth many miles walk. The Ohio lies before your view, many miles East and West, and the scenery along the Hudson is not more beautiful.

PUT TO THE TEST.

Maysville People Appreciate a Good Thing.

Everybody has their hour of trouble. But people having any itching of the skin have many hours of trouble.

Nothing so annoying. Nothing so irritating.

Scratch it, it becomes worse; Leave it alone and you can hardly stand the misery.

Itchiness comes in many forms—Eczema and horrid itching piles. Relief and cure are here at last.

Doan's Ointment cures every form of itching of the skin.

People at home are learning that this is so. Here is a proof in a citizen's statement.

Mrs. Fannie Hunter of 446 Forest avenue says: "Doan's Ointment which I procured at J. James Wood & Son's Drugstore, corner of West Second and Market streets, proved to be invaluable. I wish its marvelous curative powers were known to every one who needs a cure for the troubles for which the use of Doan's Ointment is indicated."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
